PROGETTO ESECUTIVO

This is a detailed architectural elevation drawing of a long, two-story building. The building features a gabled roof with a series of vertical lines indicating the roof structure. The facade is composed of numerous rectangular windows, some of which are grouped together. The building is shown from a perspective that highlights its length and the repetitive pattern of its windows. The drawing is in black and white, with fine lines and shading to create a sense of depth and texture.
